

## CANSO OSC Connect 2026 2-5 February 2026

Kindly hosted by UAE - GCAA

**Day One: Monday 2 February** – Grand Park Ballroom (Ground Floor)

**The Now: Industry Status and Regional Voices**

<b>08:00-09:00</b>	<b>Registration</b> Participants will receive a table number at registration, which will correspond to round-table assignments for discussions throughout the day.
<b>09:00-09:15</b>	<b>Welcome &amp; Introductory Remarks</b>  <b>Speakers:</b> <b>Nicki Harricharan</b> , Operations Programme Manager, CANSO <b>Maartje Van Der Helm</b> , Chair, CANSO Operations Standing Committee Steering Group
<b>09:15-09:45</b>	<b>Keynote Address – Setting the Scene for Global Operational Transformation</b>  This opening address will set the strategic tone for OSC Connect 2026 by exploring the global drivers shaping air navigation and operational transformation. It will highlight key regional and global priorities and challenges facing the aviation community, while emphasising the significant role of the human element in navigating change.

	<p>The address will frame the discussions that follow, supporting participants as they produce a shared vision for resilient, future ready operational excellence.</p> <p><b>Speaker:</b>  <b>Ahmed Al Jallaf</b>, Assistant Director General, Air Navigation Services, UAE – GCAA and OSC Champion, CANSO Board of Directors</p>
<b>09:45-10:30</b>	<p><b>Executive Forum: Skies in Transition</b>  <b>Panel and Interactive Session: Operations, Innovation, and Safety at the Forefront</b></p> <p><b>Moderator:</b>  <b>Maartje Van Der Helm</b>, Chair, CANSO Operations Standing Committee Steering</p> <p><b>Group Panellists:</b>  <b>Hamad Rashid Al Belushi</b>, Senior Expert – Air Traffic Management, UAE-GCAA  <b>Lakisha Price</b>, Acting Vice President of System Operations Services, FAA ATO  <b>MP Berman</b>, Vice-Chair, CANSO Operations Standing Committee Steering Group  <b>Anthony MacKay, Chair</b>, CANSO Safety Standing Committee Steering Group  <b>William Estrada</b>, Senior Director, ATM Product Manager, Leidos</p>
<b>10:30- 11:00</b>	<b>Networking Break</b>
<b>11:00-12:00</b>	<p><b>Regional Dialogue: What’s Happening on the Ground – From Global Strategy to Regional Impact</b></p> <p>This dynamic session will feature short video messages from CANSO Regional Directors from Africa, Asia Pacific, Latin America and the Caribbean, Europe, while the Middle East will present in person, providing firsthand insights into regional priorities, challenges, and progress.</p> <p>Building on these perspectives, participants will engage in facilitated roundtable discussions focused on how the Operations Programme can better translate global strategies into tangible regional impact, and which regional challenges require stronger global support.</p> <p>Roundtable discussions:  How can the operations programme help translate global strategies into regional impact?    What regional challenges need global support?</p>

	<p><b>Moderator:</b>  <b>MP Berman</b>, Vice-Chair, CANSO Operations Standing Committee Steering Group</p> <p><b>Speaker:</b>  <b>Saad Alkahtani</b>, Director Middle East Affairs, CANSO</p>
<b>12:00-13:00</b>	<b>Networking Lunch</b>
<b>13:00-14:45</b>	<p><b>Education &amp; Digital Transformation: Demystifying TBO, SWIM, FF-ICE &amp; ATFM – From Concept to Implementation</b></p> <p>This interactive education session, led by the Trajectory Based Operations (TBO) Readiness Taskforce Chairs and extended to incorporate SWIM, FF-ICE, and ATFM, will unpack the core concepts of each area and its digital and operational enablers.</p> <p>Moving beyond the buzzwords, the session will clarify how TBO, SWIM, FF-ICE, and ATFM work together to support seamless information exchange, collaborative decision-making, and demand capacity balancing.</p> <p>Participants will explore how these capabilities link directly to the Operations Programme workgroups and regional priorities through guided discussion and real-world examples.</p> <p>The session will conclude with an interactive roundtable Q&amp;A focused on one key question: How can education on TBO, SWIM, FF-ICE, and ATFM be effectively scaled?</p> <p><b>Speakers:</b>  <b>Blake Cushnie</b>, Director, TBO Airspace &amp; European Programs, NAV CANADA  <b>Sherry Yang</b>, Senior Manager, Boeing Technology Innovation, Boeing  <b>Lisa Bee</b>, Director – Air Traffic Services, Viasat  <b>Wayne Osse</b>, Chief Architect, Global Aviation and Transport, Solace  <b>Jean-Luc Thirion</b>, Technical Advisor, DSN  <b>Stuart Ratcliffe</b>, Product Manager AireonFLOW, Aireon LLC  <b>Eugène Tuinstra</b>, A-CDM / Aviation Consultant, To70</p>
<b>14:45-15:15</b>	<b>Networking Break</b>
<b>15:15-16:15</b>	<p><b>Shared Path Forward: Safety, ICAO &amp; CATS Across the OSC Community</b></p> <p>Safety, ICAO, and CATS will deliver a briefing, followed by a Q&amp;A, to engage participants and stimulate forward looking discussion on future workplans, regional collaboration, and alignment with global programmes.</p> <p>The session will provide a shared understanding of current</p>

	<p>developments in Safety, ICAO, and CATS, linking ICAO Assembly outcomes, GANP and ASBU developments, and the CATS CONOPS, including the minimum implementation path with CANSO's strategic priorities for 2026 and beyond.</p> <p>Participants will explore how safety and operations can be better aligned, how global direction translates into regional action, and how OSC workgroups enable coordinated and collaborative work for the future of ATM. Further engagement will continue during networking breaks and Day 2 workgroup sessions.</p> <p><b>Speakers :</b>  <b>Eduardo Garcia</b>, Senior Manager, Future Skies, CANSO  <b>John Wennes</b>, Safety Programme Manager, CANSO</p>
<b>16:15-16:30</b>	<p><b>Closing Reflections</b></p> <p><b>Speaker:</b>  <b>Maartje Van Der Helm</b>, Chair, CANSO Operations Standing Committee Steering Group</p>
