PRACTICAL INFORMATION GUIDE

Ha Noi – the city of culture

Ha Noi was christened "Rising Dragon" by Emperor Ly Thai To in 1010. Lying at the heart of the Red River Delta, in the North of Viet Nam, the capital city is the second biggest city in Viet Nam, with a population of 7.6 million and covering an area of 1.285 million m². For Vietnamese people, Ha Noi has always been a symbol of culture.

Ha Noi preserves many ancient architectural works, including the Old Quarter and over 600 pagodas and temples. It is also famous for being the city with the most lakes – Hoan Kiem Lake, or Sword Lake, and West Lake are two among 18, each with its own legend.

Visa Information

Viet Nam provides a visa exemption list that you can view here.

For guests who are not citizens of countries in the mentioned list, VATM will support the visa application as follows:

- VATM will issue an invitation letter for guests with passport details they have provided for the conference registration.
- VATM will work with the immigration authority of Viet Nam to apply for the "Permission for foreigners to immigrate in Viet Nam", for guests that have received the invitation letter. This procedure will take five working days. Once it is approved, the authority will send an approval letter to the Viet Nam Embassy in the guest's country.
- Guests are then required to visit the Viet Nam embassy in their country to submit their passport for the visa application.
