CELEBRATE THE PIONEERS OF AVIATION

canso ATM GalaDinner 2019

11 March, Madrid, Spain

Join 400 aviation leaders from across the globe as we celebrate some of the most inspirational moments in the history of our industry in the famous Casino de Madrid.

Exclusively for the CANSO ATM Gala Dinner this UNESCO Monument of Cultural Interest will open its doors for a special evening of networking and haute cuisine dining, as we explore the inspiring grand adventures and touching personal histories of pioneers in aviation.

Take a journey through time as we commemorate the extraordinary achievements of industry pioneers worldwide, and the moments that sparked their love for aviation and contributed to their legacy. Among the celebrations, the romantic and inspirational story will be told of Benito Loygorri, a patron of Casino de Madrid in the 1940s, who saw the Wright brothers fly and became one of the most influential people in Spanish aviation.

The celebrations start with a cocktail reception at 18:30. Enjoy Catalan Cava and locally inspired hors d'oeuvres in the main hall, as you meet old friends and make new acquaintances.

The experience continues over dinner, where you will explore key moments that have shaped the industry, while indulging in dishes designed by award-winning chef Paco Roncero.

We will finish in Casino de Madrid's magnificent main hall, with a grand finale of live music, sweet treats and drinks. The evening will conclude at app. 22:00
