10:30-13:00

AFC3 Meeting

Closed meeting / invitation only

14:30-15:00

B1

Registration for Aireon sponsored workshop

Follow signs from the hotel lobby

15:00-17:30

B1

Delivering Safety, Efficiency, and Sustainability via ADS-B Data for the African Airspace, presented by Aireon

Aireon and its partners in Africa will provide a description of the safety, efficiency, and environmental benefits of deploying space-based ADS-B data services in African airspace. Additionally, Aireon will demonstrate some new products and capabilities, including data for Air Traffic Flow Management and its global SAR aircraft location services.

Speakers:

- **Peter Cabooter**
Vice President of Customer Affairs, Aireon
- **Michele Carandente**
Deputy Vice President Air Traffic Services, Aireon

19:00-21:00

Welcome Reception

Hosted by:

Location: King Fahd Palace Hotel, Le Flamboyant.
Please follow the signs from the lobby.

Dress code: Casual

For those staying in any of the four recommended hotels ([See Venue and Travel](#)) shuttle buses will pick you up from your hotel at 18:15 to bring you to the reception venue.

Buses will then take you back to those recommended hotels at 21:00.

Regional Initiatives on Seamless Operations – Is this a Recovery Path for the Region and What are the Global Lessons?

This session will hear about ICAO and AUC initiatives on seamless operations and their impact on the ANSPs, its aviation professionals, industry players and Continental Trade.

Guest Speaker:

- **Papa Atoumane Fall**
Advisor to the Director General, ANACIM-Senegal, AFCAC
Director of Safety (Formerly)

Speakers:

- **Mohamed Moussa**
Director General, ASECNA
- **Matthew Pwajok**
Acting Managing Director, Nigerian Airspace Management Agency
- **Nozipho Mdawe**
CEO, ATNS
- **Charity Muthoni**
Representative of Kenya to ICAO

Facilitator:

- **James Danga**
Safety Expert, AFCAC

B12&C12

RPAS – Harmonising the Regulations and Fuelling Growth for Africa

The session will outline the proposals on how to integrate UTM into existing ATM Systems in the wake of traffic growth in the Region. Rather than providing a definitive solution, this discussion will provide the basis to better define the way RPAS will or should operate in the Region.

The session will cover topical discussion on:

- Regulation
- Traffic growth
- Challenges
- Merging UTM into existing ATM systems

Guest speaker:

- **Melissa Rusanganwa**
Regulatory Lead, ZIPLINE

Panel:

- **Senam Atadja**
Senior Safety Inspector, Ghana Civil Aviation Authority
- **Mamadou Mbodji**
ATS Senior Officer, ASECNA
- **Matthew Pwajok**
Acting Managing Director, Nigerian Airspace Management Agency
- **Zephania Sholobela**
Manager Air Traffic Services, Zambia Airports Corporation Limited

Facilitator:

- **Kofi Kpodji**
ATM/Airspace Planning Manager, Ghana Civil Aviation Authority

12:45-13:15

B12&C12

Update on Complete Air Traffic System (CATS) Global Council

Speaker:

- **Loise Mwangi**
CANSO Focal Point, Kenya Civil Aviation Authority

UNICEF: Introducing the African Drone and Data Academy (ADDA)

Across the African continent, drones are being successfully deployed to improve agricultural yields, reduce the risk of disasters and deliver life-saving cargo. As drones become more common, ANSPs have an urgent need to ensure the safety of manned and unmanned aviation and, at the same time, drone pilots need to understand and respect national drone regulation. In response, UNICEF founded the African Drone and Data Academy (ADDA) and, in this session, the Academy's head – Michael Scheibenreif – will outline the important work the Academy is leading on the continent.

Speakers:

- **Michael Scheibenreif**
Regional African Drone & Data Academy Manager, UNICEF
- **Keren Asaba**
Drone Flight Operation, TOA Custodian Nigeria Limited

09:30-10:30

B12&C12

The Next Generation of ATM – Leap-frogging Technology in Africa, Infrastructure Sharing and Other New Trends. What About the ASBU Framework?

Find out about the outcomes of the recent CANSO ICAO workshop on ASBUs, and discuss whether ASBUs are appropriate for the next generation.

Speakers:

- **Moustapha Boukary Malam**
Head Systems and Services, SatNav Africa JPO
- **Juan José Cornejo Fernández**
Information Technology Expert, Startical
- **Matthias Gerlich**
ATM Networks Expert and Senior Sales Director ATM Civil, FREQUENTIS AG

Workshop: Safety – Fatigue Management, Just Culture and Critical Incident Stress Management (CISM)

Session 1: The Status of Fatigue Risk Management in Africa

The objective of this workshop is to create awareness among aviation industry practitioners about fatigue management's requirements, the solutions, and guidelines as well as the benefits of implementing fatigue management in African ANSPs. The workshop will also cover Just Culture (with focus on developing an open and effective reporting culture) and Critical Incident Stress Management. Senior Management is encouraged to attend.

Workshop speakers:

- **Theo de Jong**
Senior Aviation Consultant, To70
- **Rogier Hendriks**
Senior ATM Consultant, To70
- **Christine Baaijens**
Manager Research, To70
- **Loise Mwangi**
CANSO Focal Point, Kenya Civil Aviation Authority and Chair, CANSO Safety Workgroup
- **William Amoako**
Safety, Standards and Quality Assurance Manager, Ghana Civil Aviation Authority and Deputy Chair, CANSO Safety Workgroup

19:15-21:15

Closing Reception

Hosted by:

Location: King Fahd Palace Hotel

Dress code: Smart Casual

Shuttle buses will depart from the recommended hotels to King Fahd Palace Hotel at 18:15.

Return buses back to recommended hotels will depart King Fahd Palace Hotel at 21:15.

TOUR OF GORÉE ISLAND

Our host, ASECNA, has kindly organised a fascinating tour of the Gorée Island on Friday 9 September.

Just 3.5km off the coast of Senegal, opposite Dakar, Gorée was, from the 15th to the 19th century, the largest slave trade centre on the African coast. Alternately under Portuguese, Dutch, English and French rule, its architecture is characterised by the contrast between the dark slave quarters and the elegant houses of the slave traders. The island of Gorée remains a symbol of human exploitation and a sanctuary for reconciliation.

Today, Gorée is a pilgrimage for the entire African diaspora, a focal point for contact between the West and Africa and a space for exchange and dialogue between cultures through the ideals of reconciliation and forgiveness.

Timings:

08:00	Depart King Fahd Palace Hotel and recommended hotels
10:00	Boat to Gorée Island departs Dakar Port (photo ID required)
10:20-14:00	Tour Gorée Island. Snacks and water provided
14:00	Boat for Dakar departs Gorée Island (photo ID required)
14:45	Bus to hotels departs Dakar Port
16:00	Arrive King Fahd Palace Hotel and recommended hotels

Hosted by:

REGISTRATION

You will have been asked to let us know if you would like to attend this tour when you registered. However, to confirm your place, or add yourself to the list, please check in at the ASECNA desk, which will be next to the main conference registration desk, when you pick up your conference badge at the King Fahd Palace Hotel.

Deadline to book and confirm your place is Tuesday 6 September.

Please note: If your return flight is before 21:00 on the day of tour you are advised not to attend. This is because Friday evening traffic in Dakar can be exceptionally busy and you could risk missing your flight.

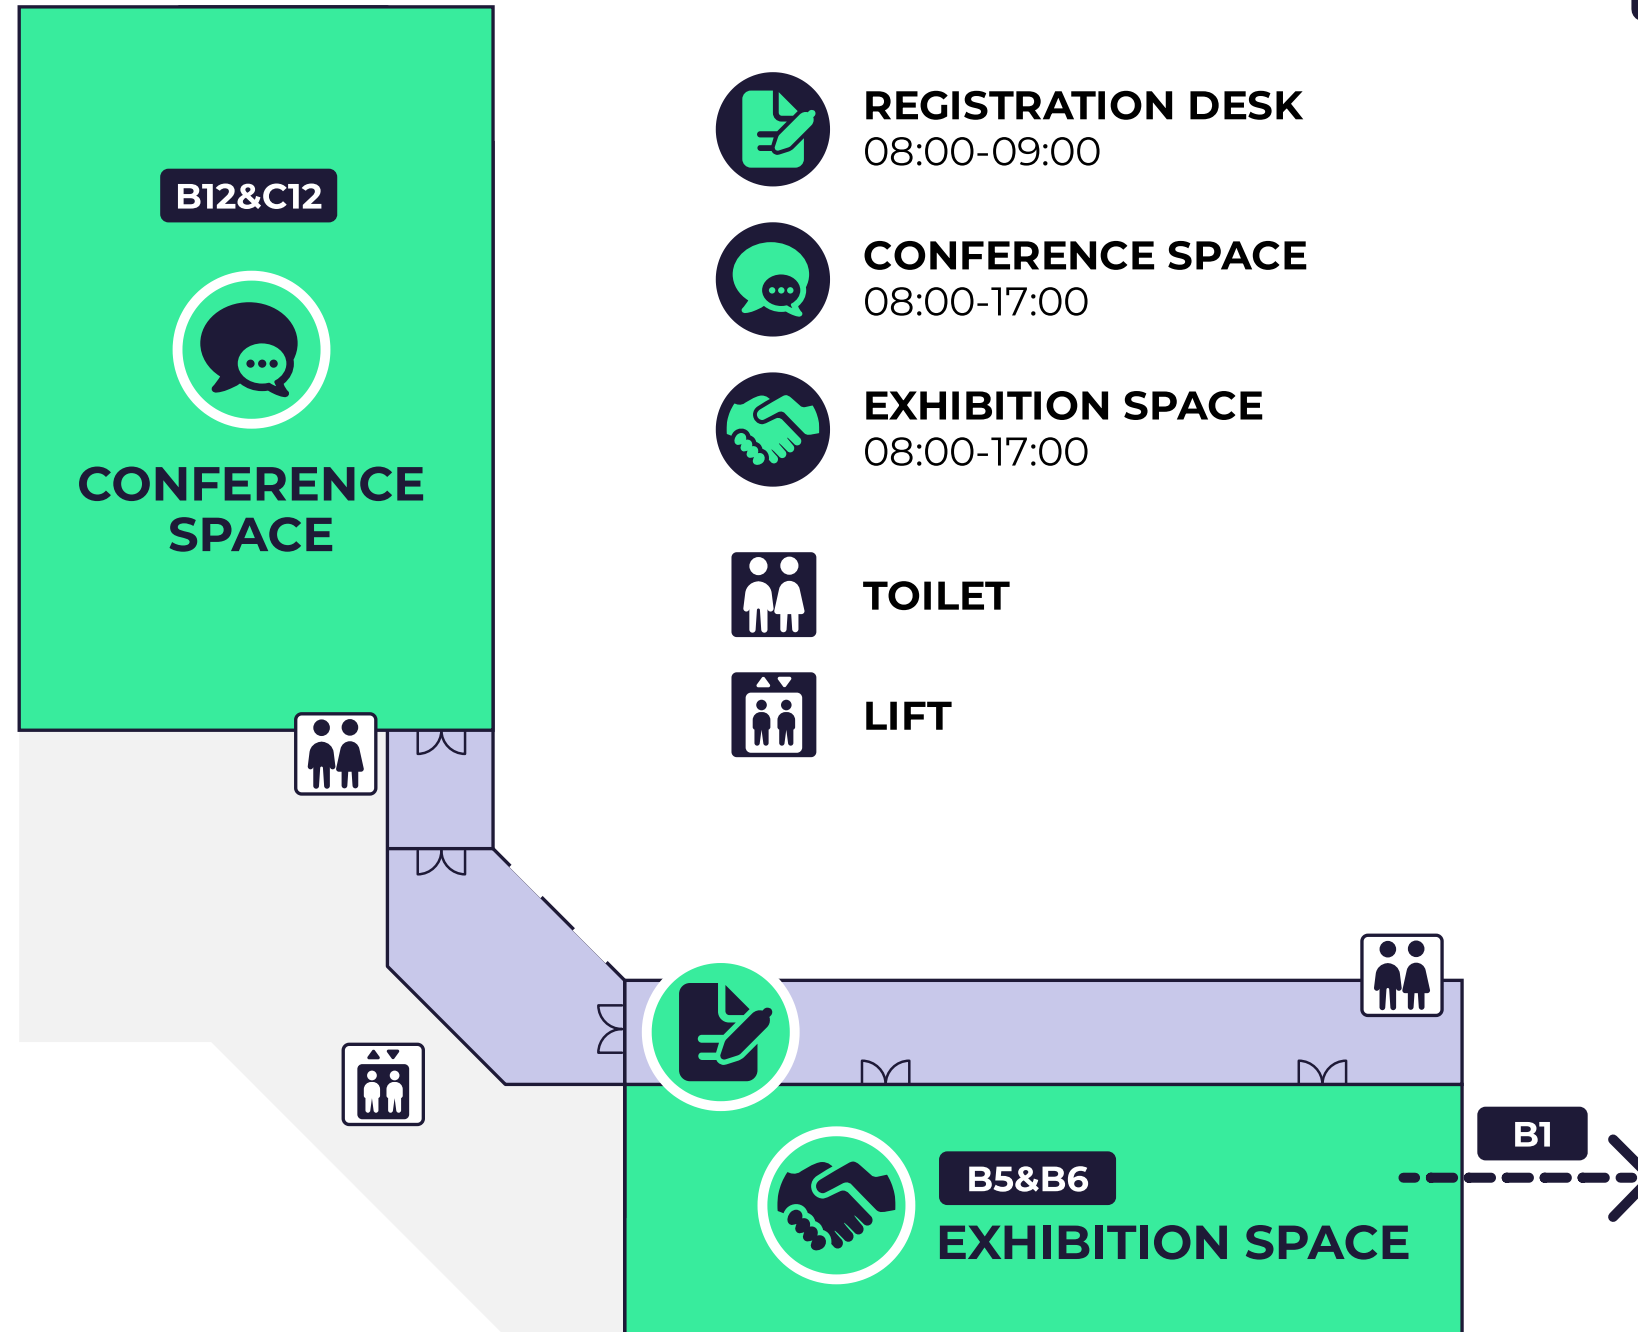

IMPORTANT INFORMATION

Please bring a photo ID with you to board the boat to and from the island.

We suggest that you bring an umbrella or raincoat as September is rainy season in Senegal.

Wear comfortable clothing and shoes, ideally trainers, as there will be a lot of walking as we tour the island.

Catering outlets on the island are limited. Snacks and water will be provided, but you are also free to bring your own should you wish.
