

Tajikistan joins CANSO as its newest full member

Simon Hocquard, CANSO Director General and Davron Shodmonbekzoda, First Deputy General Director of SUE "Tajikairnavigation" at the CANSO Global ATM Summit in Baku, Azerbaijan

Baku, Azerbaijan, 19 June 2024 - The Civil Air Navigation Services Organisation (CANSO) is pleased to announce the accession of the Air Navigation Service Provider (ANSP) of the Republic of Tajikistan, State Unitary Enterprise, "Tajikaeronavigatsiya" (Tajikaeronavigatsiya), as its newest Full Member.

"We are delighted to welcome Tajikaeronavigatsiya as a member of CANSO" commented Simon Hocquard, CANSO Director General, during his remarks at the organisation's 28th Annual General Meeting (AGM).

He adds: "Tajikaeronavigatsiya's expertise and dedication to delivering safe and efficient air navigation services in central Asia will further strengthen our collective

efforts to enhance the global aviation landscape. We look forward to their active participation in CANSO events and initiatives."

Tajikaeronavigatsiya's First Deputy General Director Mr. Shodmonbekzoda Davron commented: "We are delighted to join CANSO as a Full Member and we are confident that our membership will enable us to strengthen our capabilities, exchange best practices, and foster cooperation with other industry leaders. We look forward to actively participating within CANSO's network, which will ultimately benefit the aviation community in Tajikistan."

This decision signifies Tajikaeronavigatsiya's commitment to upholding the highest standards in air navigation services and underscores Tajikistan's growing prominence in the global aviation landscape.

CANSO congratulates Tajikaeronavigatsiya on their membership and looks forward to working closely together to advance air navigation services in Tajikistan and beyond.

About CANSO

CANSO – the Civil Air Navigation Services Organisation — is the global voice of airspace and is shaping our future skies. Its members support over 90 per cent of the world's air traffic and include air navigation service providers, airspace users and operators, manufacturers, and aviation industry suppliers. CANSO raises the bar on global ATM performance by connecting the industry to share knowledge, expertise and innovation.
